SEARCH RECORDS

The screenshot shows a DOSBox window titled "DOSBox 0.74, Cpu speed: 3000 cycles, Frameskip 0, Program: SMS". The main window has a black background with yellow text. A menu is displayed within a dashed yellow border, listing seven options: "Press 1 --> To Add New Student", "Press 2 --> To View Students Records", "Press 3 --> To Update Students Records", "Press 4 --> To Remove Student From Records", "Press 5 --> To Search Records", "Press 6 --> To Reset System", and "Press 7 --> To Logout". Below the menu, the text "WELCOME ADMIN -->hamza" is visible. The user has chosen option 5, and the prompt "Choose (1 or 7) --> 5" is shown. The user then entered "a" for the roll number, and the system responded with "student not found try again....". The prompt "Enter RollNo of student : a" is visible, followed by "student not found try again...." and "Press any key".
